

Awards: Health and Safety

We value our people. That's why we do everything we can to make sure they can work in an environment that protects their health and well-being.

And because the equipment and machinery they work with can present a danger, we take our employer responsibilities even more seriously than most.

It's the reason why we have such a glowing track record when it comes to our standards of health and safety. Not only do we comply with all our statutory requirements to prevent ill health, injury, damage or loss; we also have numerous awards for the prevention of accidents. Because at Veolia, the safe way is the only way.

EXXonMobil Fawley Gold Award

For Safety Performance

“We were delighted to award the Veolia team at Fawley a prestigious Gold Tiger for a strong 2012 performance. The flawless safety performance and the adaptation of our site wide behaviour based safety system were significant considerations in making this award to Veolia – well done to Simon and all.”

Stuart Kelly

Site Mechanical Manager,
Fawley Refinery & Chemical Plant.

CIWM Award

2010
